

PRIVACY POLICY

Company: Biquitex Limited, registration number: 3099761

Site: <https://biquitex.com>

❖ Scope of Application

- When you register or use your account on this Website, you will be required to provide personal registration information as required by this Website, including, but not limited to, your telephone number, email address, and identification information.
- When you use the services offered by this Company, or visit this Website, this Company will automatically receive and record the server information of your web browser, including but not limited to the IP address and records on the web pages that you request to access.
- The relevant data collected by this Company in connection with your transactions on this Website, including but not limited to transaction records.
- Other personal information of yours legally obtained by this Company.

❖ Use of Information

- Upon your successful registration with this Website and without extra consent from you, it shall be deemed that you agree to permit this Company to collect and use all the information you publish on this Website; you acknowledge and agree that this Company can use your information collected by this Website for certain purposes, including but not limited to the following:
 - Providing you the services offered by this Company;
 - Reporting to relevant regulatory departments based on the requirements of the competent authorities in relevant sovereign states or regions;
 - When you use Services offered by this Company, this Company will use your information for the purposes of authentication, customer service, security, fraud monitoring, archiving, and backup, to ensure the security of the products and services that this Company offers to you;
 - Helping this Company design new products and services, improving the existing services offered by this Company;
 - To enable you to understand the specifics of the Services offered by this Company, you agree to permit this Company to send to your account marketing event information, commercial electronic information, and advertising that is related to you in replacement of general-purpose ubiquitous advertising;
 - This Company may transfer or disclose your information to any third party that is not a related party of this Website, for the purpose of completing merger, division, acquisition or transfer of assets;
 - Inviting you to participate in surveys in connection with the services offered by this Company;

- Data analysis relating to cooperation with government agencies, public affairs agencies, associations, etc.;
- For all other legal purposes as well as other purposes authorized by you.
- This Company will not sell or lend your personal information to any other person unless your permission is obtained in advance. This Company also does not allow any third party to collect, edit, sell or gratuitously spread your personal information in any manner whatsoever.
- This Company shall keep confidential the customer identity information and transaction information that it obtains, and shall not provide any entity or individual with customer identification information or transaction information, except where any of the applicable laws, regulations, decrees, orders, etc., of relevant sovereign states or regions requires this Company to provide such information.
